

### CAPABILITY STATEMENT

The Impact Group, LLC provides commercial and government clients with Energy and Sustainability project delivery.

For every engagement, we bring our **unique combination of functional expertise** to minimize energy consumption and maximize efficiency to dramatically reduce operational costs.

We interface closely with on-site representatives and our teaming partners to **prevent surprises and prioritize requirements**.

Since 2015, The Impact Group has primed or been a sub-contractor on several Energy Savings Performance Contracts (ESPC) implementing more than **\$3 Million of utility & energy savings**.

We have outstanding and superior ratings on every project.

### DIFFERENTIATORS

- ✓ **Building Automation System (BAS) Specialists.** We leverage your BAS to implement control strategies to maximize energy savings with low to no out of pocket expenses. **Saving Energy = Saving Money!**
- ✓ **AEE Certified Professionals.** Our engineers are certified in Energy Management (CEM), Building Commissioning (CBCP), Energy Audit (CEA), Measurement and Verification (CMVP), Federal Energy Management Program (FEMP), and the Army Corp of Engineers Quality Management (USACE CQM).
- ✓ **Robust Construction Services.** Our suite of construction management services ensure your energy savings projects are completed on time, on budget, and in scope **maximizing your ROI**.
